REPUBLIC DAY CELEBRATION

Republic Day has been celebrated every year in India on January 26, since 1950 to honour the date on which the Constitution of India came into effect. On Republic Day, flag hoisting ceremonies and parades by armed forces and school children are held in different parts of the country.

India is a country that boasts of its rich culture, which comprises of festivals, languages, music, dance, architecture, food and art. We, at BOSTON WORLD SCHOOL have planned a “Virtual Cultural program” where the students of different grades will get an opportunity to showcase their talents. At the same time they will get a chance to develop their communication, moral, social, organisational, personal and inter personal skills.

The students have to perform the activities and send the video and images to their respective class teachers. The compiled Power Point Presentation will be presented to the entire school on 26th January 2021 at 9:00 a.m. after the flag hoisting ceremony from school.
